

YESS – Junior Project Engineer

About MAXAM

At MAXAM we work to offer our clients throughout the world a wide range of products and services, generating solutions, and full technical support to respond to their most specific needs.

Since our founding in 1872 by Alfred Nobel, MAXAM has grown by leaps and bounds. We are now a global leading company in civil explosives, defense, nitro chemical and hunting cartridges, with 6.500 employees worldwide, in 45 countries. A lot has changed since Alfred Nobel started the business but some things haven't changed: our dedication to our people to achieve excellence in what we do.
