

YES
Europe

Driving Innovation across the Energy Industry

Join us in Madrid!

We are organizing the **2018 Young leaders in Energy & Sustainability (YES)** conference in partnership with **TU Madrid**.

Join us in **Madrid March 16-17, 2018** to explore the topic of **“Driving Innovation across the Energy Industry.”**

Register now online, places are limited!

Breakfast, lunch and coffee breaks covered by 40€ fee, 50% for members of our network.

YES Europe gathered young leaders in energy and sustainability from over a dozen countries in past editions. **Take your career one step forward. Join us in Madrid!**

#YESMadrid2018 will combine insights from top industry leaders, academics, and entrepreneurs, with networking and workshops. Meet over 100 attendees from +10 countries and discuss with representatives from Iberdrola, Repsol, Innoenergy or the World Energy Council. We thank our sponsors and partners.
